International Decade for Natural Disaster Reduction

Avec les compliments
du Secrétariat de la Décennie Internationale
de la Prévention des Catastrophes Naturelles

With the compliments
of the Secretariat of the
International Decade for Natural Disaster Reduction

Please find attached the spanish version of the paper on "Disasters in Urban Areas", which was sent out to National IDNDR Committees in August of this year. The objective was to support national committees in including disaster considerations into the National Habitat II reports.

Best regards.
