**Monroe County Sheriff's Office - 853-3211 (24-hours) or**

**Ocean Reef Department of Public Safety (24-hours) - 367-2222.**

## For Your Protection

State and local governments have established strict guidelines to ensure your safety in the unlikely event of an emergency at the Turkey Point plant. Emergency officials will provide timely, accurate information and instructions. Please follow official instructions.

### **If you are told to stay indoors (in place sheltering)**

- Remain indoors until further notice.
- Close all doors and windows.
- Turn off all window fans. Unless instructed otherwise, leave air conditioning on with air exchange vents closed if possible.
- Cover or refrigerate any uncovered food.
- **Stay tuned to a local radio or television station (see page 5) for official information.**

### **If you are told to evacuate, take this booklet with you.**

- Lock all doors and windows.
- Turn off appliances (except refrigerator) and faucets.
- Leave pets inside your home with plenty of food and water. **DO NOT** take pets to a reception center or shelter.
- **In addition to this booklet, take the following items with you:**
  - Clothes for a few days; medicine or prescriptions you may need.
  - Toiletries (bar of soap, toothbrush, toothpaste, shaving articles, eye care and sanitary items).
  - Money (cash, credit cards) and important documents.
  - Baby needs (formula, diapers, favorite toys).
  - Portable radio and batteries.
  - Sleeping bag or two blankets and a pillow for each person.
  - Folding cot or lawn chair.

- Listen to a local radio or television station (see page 5). Emergency officials will tell you what to do.
- Follow all evacuation directions. Remain calm.
- **Dade County:** Dade County Emergency Reception Center is located at Tamiami Park, SW 107th Ave., between SW 8th Street and Coral Way (24th Street). To get to the Dade County Reception Center in Tamiami Park, take the Florida Turnpike Extension to the SW 40th Street (Bird Road) exit or Tamiami Trail (SW 8th Street). Follow the information signs. Law enforcement officers will direct you to Tamiami Park.
- **Monroe County:** Evacuation routes will be announced on local radio stations (see page 20). Law enforcement officers will be stationed along evacuation routes to assist and direct you to emergency reception centers. These centers have been developed to register evacuees and direct them to emergency shelters. They will also act as family reunification areas.

### **If you have special needs or require evacuation assistance**

- Fill out the attached postcard corresponding to your resident county and mail it immediately for special assistance in an emergency, if you:
  - Are on life-support systems.
  - Have a physical or mental impairment.
  - Are hearing impaired.
  - Are elderly or homebound.
  - Do not have transportation or don't drive (see page 9).
- Evacuation transportation will be arranged for you. Local radio and television stations (see page 5) will announce facility locations.

### **If you have family in a nursing home or hospital**

- These facilities follow their own evacuation procedures, so **please do not try to pick up your family member.**
- Check with these facilities in advance.
- Local radio and television stations (see page 5) will announce where patients are being moved.

### **If your children are in school**

The following schools are located within the 10-mile emergency planning zone for the Turkey Point nuclear plant. If your children attend these schools, **please do not try to pick them up.** The schools will follow their own evacuation procedures. As a precaution, the evacuation of schools will occur prior to any general public action.

If your child's school is in the 10-mile emergency planning zone and is not listed below, check with the school to verify its evacuation plans.

Air Base Elementary	Leisure City Elementary
Avocado Elementary	Lewis, A.L. Elementary
Bel-Aire Elementary	Mays Middle
Berkshire School	Mt. Olive Lutheran Elementary
Campbell Drive Elementary	Naranja Elementary
Campbell Drive Middle	Our Lady of the Holy Rosary
Centennial Middle	Peskoe, Beatrice and

There are no Monroe County schools in the 10-mile emergency planning zone.

Nuclear safety plans developed by state, local and FPL officials are only part of the strict regulation Turkey Point nuclear plant must follow. These regulations protect you and the environment of other plant neighbors, such as the endangered American crocodile.

## **If you have livestock**

- Place the animals in an enclosed shelter if possible. Provide for adequate ventilation to prevent overheating and suffocation.
- Leave plenty of water and food for several days (if you are told to evacuate).
- Use stored feed when possible.
- Tune to a local radio or television station for additional instructions and information (see page 5).

## **If you grow food products**

- Do not eat or sell products until further instructions are issued by agricultural officials.
- Tune to a local radio or television station (see page 5) for additional instructions and information.

For more information, contact your local agricultural extension agent and ask for the brochure entitled, "Agriculture and Nuclear Power in Florida."

## **If you do not have transportation or don't drive**

Public transportation will be provided by Metro-Dade Transit Agency (MDTA) to any residents who do not have their own transportation or do not drive. The following are bus pick-up points where MDTA buses will pick up and transport residents to emergency reception centers and shelters.
