

## LIST OF AFAT NIVARAN ISSUES (LANGUAGE: GUJARATI)

No.	Month & Year of Issue	Main Subject	No.	Month & Year of Issue	Main Subject
1.	August 15, 1999	Cyclone: Impact and Loss	24.	October 31, 2001	Terrorism: World Trade Center and Beyond
2.	September 15, 1999	Quality of Relief: Some Issues	25.	November 30, 2001	Key for the essential relief work
3.	September 25, 1999	Special Issue on Water Drinking and Other	26.	December 31, 2001	Face Disaster through Livelihood
4.	October 15, 1999	Review of Disaster Relief Activities of the past decade in Gujarat	27.	January 26, 2002	Earthquake in Gujarat 4. Recovery
5.	November 15, 1999	Should mental relief be a priority over material relief?	28.	Feb.-March 2002	Relief work after Riots in Ahmedabad
6.	December 15, 1999	Orissa Cyclone: Impact and Needs	29.	March 30, 2002	Volcano in Goma
7.	January 15, 2000	Drought Relief Special 1	30.	April 30, 2002	Towns and Disaster Risks
8.	February 15, 2000	Doctor's of Gujarat State in Disaster Relief: New Roles	31.	May 31, 2002	People's situation in Bhuj after earthquake
9.	March 15, 2000	Sphere Project: How useful?	32.	June 30, 2002	No learning from Disaster
10.	March 30, 2000	Sphere Project: How to use it?	33.	July 31, 2002	Drought: Again?
11.	April 15, 2000	Relief Material: Matching Sphere standards with local needs.	34.	August 31, 2002	Nav Sarjan: Who builds?
12.	May 15, 2000	Drought Recovery Special Issue	35.	Sept. 30, 2002	Riots: Once more
13.	June 15, 2000	Cattle Special: Tradition famine management methods.	36.	October 31, 2002	Review: Is Afat Nivaran useful?
14.	July-Aug. 2000	Drought in Whole World	37.	Nov.-Dec. 2002	Water Audit: Methods
15.	Sept.-Oct. 2000	Earthquake: How to be prepared?	38.	January 26, 2003	Earthquake in Gujarat 5: Stakeholder Analysis
16.	Nov.-Dec. 2000	Water problems in Rajkot	39.	Feb.-March 2003	Cyclone in Gandhinagar
17.	January 31, 2001	Earthquake in Gujarat 1: Event	40.	April 2003	DMI annual report 2002-2003
18.	February 26, 2001	Earthquake in Gujarat 2. Impact	41.	May-June 2003	Very Costly Water
19.	March 30, 2001	Earthquake in Gujarat 3: Needs	42.	July 2003	Flood: Local Response
20.	April 30, 2001	Now, Learning Time: How to Plan Recovery?	43.	Aug.-Sept. 2003	Urban Safety: Safer Cities
21.	May-June 2001	Success through Faith	44.	October 2003	Disaster and Insurance: Way Ahead
22.	July 31, 2001	Rajsthan ahead of Gujarat in Drought Relief	45.	November 2003	Disaster and Environment: Key Issues
23.	Aug.-Sept. 2001	Disasters World Over	46.	December 2003	Year 2003 Balance Sheet of Disasters and Mitigation
			47.	January 2004	Earthquake Recovery Role of Livelihood

## LIST OF *VIPADA NIVARAN* ISSUES (LANGUAGE: HINDI)

No.	Month & Year of Issue	Main Subject	No	Month & Year of Issue	Main Subject
			5	March 2001	Earthquake—Current Scenario
			6.	May 2001	Gujarat Earthquake: Damage and Impact
1.	August 15, 1999	Cyclone: Impact and Loss	7.	June 2001	Gujarat Earthquake: Relief and Rehabilitation
2	September 15, 1999	Quality of Relief: Some Issues	8.	September 2001	Lessons learned from Gujarat Earthquake
3	September 25, 1999	Special Issue on Water: Drinking and Other	9	December 2001	Terrorism: Implications on the world and India
1	January 2000	International Decade for Natural Disaster Reduction	10	October 2002	Disaster and its impact on Economic Development
2.	June 2000	Orissa Cyclone 2000	11	May 2003	Two years after the Gujarat Earthquake 2001: Recovery Review
3.	October 2000	Droughts in India			
4.	December 2000	Floods in Bangladesh			

## LIST OF *JALSANKAL* ISSUES (LANGUAGE: GUJARATI)

No.	Month & Year of Issue	Main Subject	No	Month & Year of Issue	Main Subject
12	November 2003	DMI Annual Report 2002-2003	4.	June 2002	Rain Water Harvesting: Urban Initiatives in Ahmedabad
13.	February	Urban Risk Reduction	5.	August 2002	Lessons from Dahod Checkdam Initiatives
1.	November 2001	Rain Water Harvesting Concept	6.	November 2002	Water Audit: Method and Use
2.	March 2002	Water Harvesters in Gujarat	7.	March 2003	Rain Water Harvesting: Innovative Approaches
3.	April 2002	Bhuj Town Planning and Water Management			

## LIST OF INFORMATION SHEETS

### Action Review and Research Services:

1. The June 1998 Cyclone and the Government of Gujarat: A Report Card of the Corporate Sector
2. Using Information to Make Relief Accountable: "Vavazodu"—The Cyclone Newsletter
3. Reducing Urban Risks in Ahmedabad
4. June 1998 Cyclone in Gujarat: Coordinating Voluntary Sector Response
5. Review of Public Expenditure of Relief in Gujarat
6. Raising Victim's Voice: Afat Nivaran
7. Community Based Awareness on Disaster Preparedness: Action Learning by DMI and IGNOU
8. Action Planning for Preparedness: Cyclone Affected Gujarat
9. Mitigating Disasters by Conserving Nature in North-east India
10. Understanding Vulnerability: Tools and Methods
11. SEWA Fights Famine: Livelihood Relief with a Difference
12. Strategy for Action Research
13. Report of Salty Workers on Government Facilities and Services in Patan and Surendranagar Districts
14. Technical Assistance for Preparedness
15. Gujarat Earthquake 2001 Livelihood Relief Fund Activities Today
16. The Watershed Development Program Review: Methodology and Methods used
17. DEC Evaluation for Gujarat Earthquake
18. The Copenhagen Commitments Revisited: Focus on Vulnerability to Natural Disasters is Missing
19. Recent Government Initiative Related to Drought in Gujarat
20. Community Based Action Review of Drought Relief 2000 in Gujarat: Some Lessons
21. DMI Comments on Disaster Management Plan for Orissa

### Bhuj Reconstruction Programme:

1. Building a Future: Crisis to Celebration Centre Gets Underway!
2. Bhuj Reconstruction Project Livelihood Case Study

### Building Peace and Protection:

1. Six Lessons from Past Riots in Gujarat
2. Package for Relief Camps in Gujarat Declared
3. Recovery of the Victims of the March 2002 Riots in Ahmedabad
4. Children and Riots: Protection and Relief in Ahmedabad

### Emergency Food Security Network:

1. Fodder Security: Drought in Gujarat
2. Downward Accountability: Beneficiaries Join Experts to Influence Food Security Policy
3. National Programme on Emergency Food Security in India: Building Multi-Hazard Assessment and Monitoring Capacity
4. Beneficiaries Join Experts to Influence Food Security Policy

### Emergency Health Unit:

1. Integrating Emergency Health in Disaster Mitigations: DMI in North East India
2. Enhancing Performance of Emergency Health
3. Malaria Relief: Victims' Views
4. People Health and Migration: Drought Affected Areas of Gujarat

### Learning Resources:

1. Regional Learning: Indian NGOs Visit Bangladesh
2. Building Regional Disaster Risk Management Capacity: Bottom-up Approach
3. Western Zone Consultation of NGOs for Disaster Management Plans (High Powered Committee)
4. Localising Learning in CBDM
5. DMI Wins AIESEC Trophy
6. The Right to relief and Minimum Wages
7. An Attempt to Join Victims of Disasters to national Mainstream: Vipada Nivaran
8. Selection of the Participants for the CBDM Training for Trainers
9. Involving Communities in Disaster Preparedness Awareness
10. Bringing Hip Hop to Humanitarian Sector Learning
11. Measuring and Managing Vulnerability: Establishing Agenda

12. Learning in Vulnerability Reduction: DMI Experience
  13. Conceptual Frameworks for Gender Analysis
  14. Bridging Development and Disasters (Training Module Design)
  15. ALNAP 12th Bi-annual Meeting
  16. Standardising and Systematising Learning for Mitigation DMI's Learning Process Day (October 2003)
- Livelihood Relief Fund:**
1. Livelihood Relief Fund: Drought in Gujarat, India
  2. Livelihoods, Vulnerability and Disasters: Linking the Concepts
  3. Livelihood and Droughts: Insights from Literature
  4. Livelihood, Disasters and Media
  5. Gujarat Earthquake 2001: Livelihood Relief Fund
  6. Investing in Disaster Response for Development: Livelihood Relief Fund
  7. Impact of Livelihood Relief
  8. Monitoring the livelihood relief
  9. Livelihood Relief Fund February 28
  10. Impact of Livelihood Relief Arif, Dinu, Budha and Ibrahim after Riots
  11. Mapping Livelihood Issues: The Impact of Earthquake on Livelihoods in Gujarat
  12. Vulnerability of Livelihood to Disasters in South Asia
  13. Disaster Risk Reduction through Livelihood Security
  14. Reducing Disasters: with Savings
- Local Capacity Building Cycles:**
1. Local Capacity Building Cycle on Community Based Disaster Risk Management
  2. A Review of the Progress of Planning Activities for the Local Community Based Disaster Risk Management Course
  3. Local Capacity Building Cycles on Emergency Medical Disaster Response (First Aid Module)
  4. Local Capacity Building Cycle on Multi Hazard Disaster Preparedness for Schools
  5. Second Local Capacity Building Cycle on Community Based Disaster Risk Management
  6. Sixteenth Community Course on Humanitarian Charter and Minimum Standards in Disaster Response
7. Seventeenth Local Capacity Building Cycle on Multi Hazard Disaster Preparedness for Schools in Kutch
  8. Eighteenth Local Capacity Building Cycle on Participatory Rural Risk Appraisal Tools
  9. Local Capacity Building Cycle on Emergency Medical Response
  10. Twenty Second Local Capacity Cycle on Water Audit and Resource Assessment
  11. Community Building Capacity Where it Counts: Review of Seventeen Community Based Disaster Risk Management Capacity Building Cycles
  12. HIV and Humanitarian Response: Mitigation Matters
- National Course Series:**
1. First National Course on Community Based Disaster Risk Management
  2. Second National Course on Humanitarian Charter and Minimum Standards for Disaster Response
  3. Third National Course on Humanitarian Charter and Minimum Standards for Disaster Response
  4. Fourth National Course on Community Based Disaster Preparedness
  5. Fifth National Course on Urban Vulnerability Assessment for Mainstreaming Mitigation
  6. Seventh National Course on Community Based Disaster Risk Management
  7. Eighth National Course on Humanitarian Charter and Minimum Standards in Disaster Response
  8. The Ninth National Course: Livelihood Relief after Earthquakes
  9. Building National Capacity Bottom Up: National Course Series Review
  10. Clearheaded Curiosity: National Course on Community based Disaster Risk Management
- Sphere Resource Centre:**
1. The Sphere Project. DMI Experience in Promoting Quality Relief
  2. The Sphere Project: Handbook Revision Shelter and Site Planning Feedback Meeting
  3. Promoting Sphere in India: Inter Agency Meeting in Ahmedabad

- 4 Sphere Handbook Revision Process on Food Aid, Nutrition and Food Security
  5. The Sphere Handbook Revision Process: Water and Sanitation Community and National Consultations
  6. Challenging the Orthodoxy of Humanitarian: Who Benefits from these Standards?
- Water Security Programme:**
- 1 Water Management Through Community Participation: DMI's Approach
  2. Fighting Deserts, Harvesting Rains: Desert Areas of Banaskantha
  - 3 Wisdom of Traditional Rainwater Harvesting to Build Rural Water Security
  4. Panchayat in Deserts: Issues and Initiatives for Change
  5. Migration and Disasters
  6. Water from Heaven: Family Rainwater Harvesting
  - 7 Flowing Heritage of Water Activities of Indian National Trust for Art and Cultural Heritage and Disaster Mitigation Institute
  - 8 Reviewing Watershed Innovations
  - 9 Drought Affected Areas of Gujarat
  - 10 Livestock, Food and Water: Drought Affected Areas of Gujarat
  - 11 Priorities and Plans: Drought Affected Areas of Gujarat
  - 12 Ten Key Questions: Drought Relief in Gujarat, 2000
  - 13 Corporate Response to Drought in Gujarat
  14. Drought Interventions Review in Gujarat and Rajasthan: Approaches and Issues
  15. First Drought of the 21st Century: DMI Initiatives
  - 16 Floods after Drought in Ahmedabad
  - 17 Performance Review and Planning for Drought: DMI and the Red Cross
  18. Community's Own Water Operating System: Roof Rain Harvesting Tanka in Kutch
  - 19 Drought Relief Rating Model: A Professional System for Social Objectives
  20. Cattle Migration due to Drought. Kutch and Saurashtra
  - 21 Community Based Action Review Drought Relief 2001 in Gujarat: Outcomes
  - 22 JalSankal—A Newsletter: Harvesting Experiences for Flourishing Future
- 23 Participatory Rehabilitation in Earthquake Affected Rural and Needy Area
  24. Water Audit for Drought Affected Villages of Patan, Surendranagar and Kutch after the 2001 Earthquake
  25. The Fifth Paani Yatra January 2002: The Joint Water Journey of DMI and CSE
  26. The Watershed Development Program Review: Outcomes and Impacts
  27. From Drought 1987 to Drought 2003: Trends in Rural Gujarat
  - 28 Six Publications of 'JalSankal': Towards a better understanding of water systems
- General:**
- 1 South Asian Series on Vulnerability Reduction
  - 2 Planning Vulnerability Reduction Women Artisans of Kutch Deserts
  3. World Red Cross Day Celebrations: Exploring the Demand Side
  4. Vulnerability of Women in South Asia
  5. Drought Relief Measures by the Gujarat Government
  - 6 Selected List of Addresses in Gujarat
  - 7 National NGO Council of Sri Lanka
  - 8 Sectoral Macro Study
  - 9 Disaster Mitigation Institute
  - 10 Towards better Disaster Management
  - 11 Memorandum for Drought Relief Intervention
  - 12 Survivor's Studies for Preparedness
  13. EEF in India
  - 14 The Development of a Local Media Feature
  15. Corporate Social Responsibility for Natural Disaster Reduction: Local Overview of Gujarat
  - 16 DMI Partnership Review: View from Outside: Part A

## LIST OF EXPERIENCE LEARNING SERIES

No.	Month & Year of Issue	Main Subject	No.	Month & Year of Issue	Main Subject
1.	December 1999	The June 1998 Cyclone and the Government of Gujarat: A Report Card by Corporate Gujarat (in Gujarati)	13.	August 2001	packages of Government of Gujarat and their (in Gujarati) Tools for Hazard and Capacity Assessment: Experienced-Based Easy Explanations on How to Prepare Against Disasters by Using Hazard and Capacity Assessment Tools (in Gujarati)
2.	April 2000	Awareness Generation for Disaster Preparedness (in Gujarati)	14.	February 2002	Livelihood Security and Vulnerability Reduction: South Asian Experiences of Duryog Nivaran (in Gujarati)
3.	April 2001	Minimum Standards in Disaster Response. The Sphere Project (in Gujarati)	15.	February 2002	Victims' Voices: An effort to know comprehensive opinions of affected communities on the relief activities after the 2001 earthquake (in Gujarati)

7	April 2002	Safer Building Practices for Long Term Safety Against Earthquake, Cyclone and Drought (in Gujarati)	14	December 2003	Emergency Medical Response-First Aid (in Gujarati)

## LIST OF LOCAL CAPACITY BUILDING CYCLES

No.	Date	Title	No.	Date	Title
1.	16th July, 2001	Community Based Disaster Risk Mitigation	23.	4th Dec., 2002	Sphere Standards Humanitarian Charter and Minimum Standards in Disaster Response
2.	18th July, 2001	Community Based Disaster Risk Mitigation	24.	11th Dec., 2002	Emergency Medical Response
3.	20th July, 2001	Community Based Disaster Risk Mitigation	25.	18th Jan , 2003	Emergency Medical Response
4.	27th July, 2001	Community Based Disaster Risk Mitigation	26.	26th April, 2003	HIV and Humanitarian Response: Mitigation Matters
5.	14th Aug., 2001	Disaster Preparedness for Schools	27.	16th May, 2003	Urban Town Planning and the Poor
6.	16th Sept , 2001	Emergency Medical Disaster Response (First Aid)	28.	17th May, 2003	HIV and Humanitarian Response: Mitigation Matters
7.	20th Dec., 2001	Disaster Preparedness for Schools	29.	9th July, 2003	Community Based Disaster Risk Management
8.	26th Dec , 2001	Disaster Preparedness for Schools	30.	11th July, 2003	Incident Command System
9.	28th Dec , 2001	Disaster Preparedness for Schools	31.	18th July, 2003	Community Based Disaster Relief and Response
10.	31st Dec., 2001	Disaster Preparedness for Schools	32.	25th July, 2003	Emergency Medical Response
11.	15–17th May, 2002	Safer Building Construction	33.	1st August, 2003	The Humanitarian Charter and Minimum Standards in Disaster Response (Sphere Project)
12.	14th June, 2002	Urban Town Planning and the Poor	34.	6th August, 2003	Community Based Disaster Risk Management
13.	1st July, 2002	Participatory Appraisal of Recovery	35.	7th August, 2003	Community Based Disaster Risk Management
14.	18th July, 2002	Emergency Food Security Action and Research	36.	8th August, 2003	Community Based Disaster Risk Management
15.	26–27th July, 2002	Participatory Appraisal of Recovery	37.	3rd Sept , 2003	Community Based Disaster Relief and Response
16.	3rd August, 2002	Humanitarian Charter and Minimum Standards in Disaster Response	38.	4th Sept , 2003	Community Based Disaster Relief and Response
17.	28th August, 2002	Disaster Preparedness for Schools	39.	5th Sept , 2003	Community Based Disaster Relief and Response
18.	11–13th Sept , 2002	Participatory Rural Risk Appraisal tools	40.	10th Sept , 2003	Emergency Medical Response
19.	28th Sept., 2002	Emergency Medical Response	41.	11th Sept., 2003	The Humanitarian Charter and Minimum Standards in Disaster Response
20.	5th Oct., 2002	Emergency Medical Response			
21.	6th Oct., 2002	Emergency Medical Response	42.	12th Sept , 2003	The Humanitarian Charter and Minimum Standards in Disaster Response
22.	19th Nov , 2002	Urban Water Audit and Resource Assessment with			

43. 7th Nov , 2003	Emergency Medical Response	49. 29th Nov , 2003	Tool testing and development workshop on Women Led Multi-hazard Disaster Mitigation
44. 8th Nov , 2003	Emergency Medical Response		
45. 8th Nov., 2003	The Humanitarian Charter and Minimum Standards in Disaster Response	50. 15-16th Dec., 2003	Women Led Multi-hazard Disaster Mitigation and Preparedness
46. 21st Nov , 2003	Course Curriculum Review and Development Workshop on Women Led Multi-hazard Disaster Mitigation	51. 21st Dec , 2003	Community Based Urban Disaster Risk Mitigation
47. 22nd Nov , 2003	Tool testing and development workshop on Women Led Multi-hazard Disaster Mitigation	52. 22nd Dec , 2003	Community Based Urban Disaster Risk Mitigation
		53. 23rd Dec , 2003	Community Based Urban Disaster Risk Mitigation
48. 28th Nov , 2003	Course Curriculum Review and Development Workshop on Women Led Multi-hazard Disaster mitigation	54. 24th Dec., 2003	Community Based Urban Disaster Risk Mitigation
		55. 21th Feb., 2004	School Safety

### LIST OF NATIONAL COURSE SERIES

No.	Date	Title	No.	Date	Title
1	7–12th May, 2001	Community Based Disaster Risk Management	8	8–10th June, 2002	Humanitarian Charter and Minimum Standards in Disaster Response
2	21–23rd June, 2001	Humanitarian Charter and Minimum Standards in Disaster Response	9.	24–26th July, 2002	Livelihood Relief After Earthquake
3	3–6th Oct , 2001	Humanitarian Charter and Minimum Standards in Disaster Response	10	7–17th Jan., 2003	Community Based Disaster Risk Management Lateral Learning (Multi Hazard)
4.	7–8th Nov , 2001	Community Based Disaster Preparedness	11	Jan.–5th Feb., 2003	Community Based Disaster Risk Management Lateral Learning (Multi Hazard)
5.	20–21st Nov , 2001	Urban Vulnerability Assessment and Mainstreaming Mitigation	12.	26–28th Aug., 2003	Livelihood Relief after Earthquake
6	12–21st Feb , 2002	Community Based Disaster Risk Management Cranfield University Lateral Learning (Earthquake)	13	6–16th Jan., 2004	Community Based Disaster Risk Management (Multi Hazard)
7	6–11th May, 2002	Community Based Disaster Risk Management			

## LIST OF INTERSHIP INSTITUTIONS

### Interns come from the following universities and countries:

Aarhus University, Denmark	Tokyo Metropolitan University, Japan
Conventry University, U.K	University of Basel, Switzerland
Cranfield University, U.K	University of Helsinki, Finland
CUNY University, U.S.A.	University of Karlsruhe (TH), Germany
French Agronomy School, France	University of Mannheim, Germany
Justus Liebig University, Germany	University of Toronto, Canada
Kansas State University, U.S.A.	University of Wales, Aberystwyth
Massachusetts Institute of Technology, U. S. A.	University of Warwick, UK
Oxford Brooks University, U.K	University of Western Australia, Australia
Purdue University, U.S.A	Warsaw University, Poland
Technical University, Berlin	Warsaw School of Social Psychology, Poland
Technical University, Delft, The Netherlands	

### DMI PUBLICATIONS FUNDED BY THE EUROPEAN UNION

No.	Month & Year of Issue	Subject	No.	Month & Year of Issue	Subject
1.	May 2002	'Afat Nivran' issue No. 31 to 46, a monthly newsletter of DMI (in Gujarati)	9	August 2003	Local Capacity Building Cycle module on Women lead Livelihood Security against Disasters (in Gujarati)
2	November 2002	Local Capacity Building Cycle module on Water Audit for Multi Hazard and Risk Mitigation (in Gujarati)	10.	August 2003	Local Capacity Building Cycle module on The Sphere Project Humanitarian Charter and Minimum Standards in Disaster Response (in Gujarati)
3	December 2002	A preparedness Pocketbook on Planning for School Safety Against Disasters (in Gujarati)	11.	August 2003	Local Capacity Building Cycle module on Community Based Disaster Mitigation (in Gujarati)
4.	March 2003	A brochure on Water Security Programme	12	September 2003	Local Capacity Building Cycle module on Community Based Relief and Response (in Gujarati)
5.	March 2003	A brochure on Water Security and Community Based Communication	13.	September 2003	Local Capacity Building Cycle module on Emergency Method Response-First Aid (in Gujarati)
6	April 2003	A booklet on Learning Resources for Community Preparedness	14	August 2003	National Course module on Livelihood Relief after Earthquakes
7	May 2003	'Vipada Nivaran' issue No. 11 and 12, a bi-monthly newsletter of DMI (in Hindi)	15	August 2003	A set on display on "Fun-filled Disaster Risk Mitigation". An initiative to prepare children against Disasters (in Gujarati)
8	May 2003	A set of one page display on School Safety and Rainwater Harvesting (in Gujarati)			

Though India has the widest range and most valuable depth of experience in mitigation disaster risks, the lessons are seldom available from one community or one organisation to another, from one relief effort to the next or one disaster to another. The Experience Learning Series, published in Hindi, Gujarati and English, values grassroot experience and tries to capture it for practice, policy and research purposes.

1. The June 1998 Cyclone and the Government of Gujarat: *A Report Card by Corporate Gujarat* (in Gujarati). DMI
2. Awareness Generation for Disaster Preparedness (in Gujarati) DMI with IGNOU and Duryog Nivaran
3. Minimum Standards in Disaster Response. *The Sphere Project* (in Gujarati) DMI with Oxfam (India) Trust and Indian Red Cross Society, Gujarat
4. Relief from Malaria Epidemic: *Vulnerable Community Perspectives* (in Gujarati) DMI
5. Four Stages After Disaster: *Essential Relief Supply at the time of Disaster* (in Gujarati) DMI with Western India Forum for Panchayati Raj
6. Agenda for Drought Relief 2001: *Community Based Action Review of Drought Relief 2000 in Gujarat*. (in English). DMI
7. Agenda for Drought Relief 2001: *Community Based Action Review of Drought Relief 2002 in Gujarat*. (in Gujarati). DMI
8. Agenda for Drought Relief 2001: *Community Based Action Review of Drought Relief 2002 in Gujarat* (in Hindi). DMI
9. Community Based Disaster Mitigation. *Based on the Experiences of Involving Local Communities in Disaster Mitigation* (in Gujarati) DMI with UNDP
10. Importance of Women's Role in Disaster Mitigation: *Based on the Experiences of Involving Women in Disaster Mitigation* (in Gujarati). DMI with UNDP
