

Citizens' life

▲ An outdoor market opened by shopowners whose shops were destroyed or damaged by the quake.

▲ A scene of an emergency kitchen.

◀ An "under-tent" life in a shelter two weeks after the quake.

▶ People going to offices four weeks after the quake at Sannomiya Station of Hanshin Electric Railway Co. on February 13, 1995. Many of them commuted to their offices from shelters.
