Values of commitments reported in all tables for projects/operations approved up to the end of 1989 include budget revisions up to 31 December 1989.

In Tables A.1, completed projects/operations refer to stage 6 as per the definition given on page IV, whether the project has been closed (stage 8) or not for accounting purposes. Projects cancelled after approval but before implementation are not included. Active projects/operations refer to stages 2 to 5 inclusive, i.e. approved projects/operations for which distribution is not yet completed. ;
